

**AWARD SCHEME
Of MULTIDIMENSIONAL EDUCATIONAL
TECHNICAL AND RESEARCH SOCIETY**

- 1. Award Scheme-I :Dr. A.P.J. Abdul Kalam Child/Young Scientist Award**
- 2. Award Scheme-II : Dr. SarvepalliRadhakrishna Best Teacher Award**
- 3. Award Scheme-III :Life Time Achievement Certificate of Appreciation Award**
- 4. Award Scheme-IV : Best Author / Article Representation Award**
- 5. Award Scheme –V : Talent Search Examination Award**
- 6. Award Scheme- VI: Best Demonstration Award**
- 7. Award Scheme- VII: Seminars Conference Participation Award**

OBJECTIVES

The main objective of Child /Young Scientist Scheme (CYSS) is to provide quick research support to young scientists (employed/unemployed/ Students) for pursuing exciting and innovative research ideas and thereby to involve them in national S&T development process. This scheme is useful for child /young scientists to pursue their bright ideas in newly emerging frontier areas of research in science and technology, to work for integrated research programme involving interdisciplinary fields and to acquire experience in the management of a project.

The aim of the scheme is to encourage the Dr A.P.J. Abdul Kalam Child /Young Scientist / DrSarwapaliiradha Krishna Best teacher Awards / Life-Time Achievement / Certificate of Appreciation / Best Authors, Awards/ (Senior Faculty/Young Faculty) Best Article Representation Awards/ Talent Search Examination Awards/ Best Demonstration Awards/ Seminar Conference Certification/ Membership Certification Etc. of the State to take up research studies in emerging and frontier areas of Science & Technology related to their

field. The research is expected to provide the candidates with an opportunity to work with the latest equipments and facilities under the well-known experts. It is believed that such an exposure will equip the research to initiate independently advanced research programmes in their respective institutions.

Purpose of Awards:- The objective of the scheme is to encourage child/ young scientists to make outstanding achievements in research and development for technology development in Science and Technology. The contributions should be in form of outstanding research publications in the field followed by patents development and also for their efforts of translating their innovation into prototype development for commercialization. To recognize the talented young scientists who have shown extraordinary originality and dedication in their research programs. They should have exceptional creativity based on a track record of significant contribution to research and potential to facilitate the use of their expertise to further high-quality research in Science and Technology.

AWARD/FELLOW NOMINATION FORM

We, the Fellows/Life members of The Multidimensional Educational Technical and Research Society others* would like to propose

Name :
Date of Birth :
Position :
Address :

for the Dr A.P.J. Abdul Kalam Child /Young Scientist / DrSarwapaliiradha Krishna Best teacher Aards/ Life-Time Achievement / Certificate of Appreciation / Best Authors, Awards/ (Senior Faculty/Young Faculty) Best Article Representation Awards/ Talent Search Examination Awards/ Best Demonstration Awards/ Seminar Conference Certification/ Membership Certification Etc. Multidimensional Educational Technical and Research Society of year 20... OR election as the Fellow/Honorary Fellow/Overseas Fellow of the Society for the year 2019 (✓ whichever is applicable).

Proposer Signature: **Seconder** Signature:

Name: Name
Address: Address:

Date:..... Date:

Station:..... Station:

*Head of Institutes/Eminent Scientists/CEO, etc.

Notes: 1. The proposer should preferably belong to the same field of specialization as the nominee and he/she shall certify that he/she is personally acquainted with the scientific work of the candidate.

2. Proposer must sign on the nomination paper. The seconder may either sign on the nomination paper or write letter to the proposer, which should be sent to Multidimensional Educational Technical and Research Society Office by the proposer along with the nomination form.

3. Deadline to receive the soft copy of the nomination as a single PDF file + score sheet as a separate file by email at multidsociety86@gmail.com

Statement by the proposer mentioning the significant contribution, invention or other contributions made by the nominee in Multidimensional Educational Technical and Research Society.

Areas of specialization (mention maximum Four)

1. :-.....
2. :-.....
3. :-.....
4. :-.....

Nomination to be considered for: Area:-

Topic:-.....

(Please mention one area of Science below)

.....

PART A: Biographic Sketch of the Nominee

(Please print or write in capital letters only)

1. Name:.....
2. Designation:.....
3. Date of birth:.....
4. Nationality:.....
5. Membership no of Society:.....
6. Official address (with telephone, fax & email):.....
7. Residential address:.....
8. Educational qualifications (in chronological order from degree onwards):
.....
9. Professional experience (in chronological order):
.....
10. Research and teaching experience (years only):.....
11. Area of R&D and specialization:.....
12. Publications (mention here numbers only and attach the full list)
 - i) Patents :
 - ii) Books :
 - iii) Review & Policy Papers :
 - iv) Chapters in the Books & Proceedings :
 - v) Original Research Papers (SCI journal only) :
 - vi) Research Communications in International conf/symposia:
 - vii) Research Communications in National conf/symposia:
13. Awards/honors/distinctions (attach separate sheet):
14. List two most important publications and attach reprints (attach separate sheet, if necessary).
Indicate impact factor of the papers in the year of publication.
15. Highlights of the activity profile of the nominee (attach separate sheet; maximum 500 words)
16. Has the nominee consented to apply for the award (it is expected that proposer has obtained consent of the nominee for the nomination)?
17. Educational qualifications: Bachelor Degree onwards (enclose copy of degree/mark-sheet)

S. No.	Degree	University	Subject(s)	Year of passing	Percentage of marks obtained
1.					
2.					
3.					

18. Work experience (in chronological order).

19.

S/N	Position held	Name of the Institute	Period		Scale of pay (Rs.)	Nature of Work
			From	To		

20. Total Research Experience :

21. Awards/any other academic achievements:

22. Any fellowship/award/benefit taken from MPCST earlier (full details).....

23. List of Publication (Pl Enclose separate sheet)

24. Title of the proposed Training/Research.....

25. Enclose a brief summary not exceeding 500 words of research work done so far and future plan for selected field of study.

26. Proposed duration of training: (...) months

27. Name of R&D Institutions in order of priority where the candidate would like to work under FTYS giving reasons thereof (enclose proof of acceptance).

Eligibility:-The Candidate must be the life member of Multidimensional Educational Technical and Research Society.

1, The award is to be given to the Scientists and researchers working in any institution in the country and abroad for original and outstanding research contributions made primarily in the field of Science and Technology .The nominations may be supported by the original research work done for the greater good of the humanity with contribution to the Science and Technology.

2, The age of the candidate must be below 18 years as on 31st December of the awarding year. Candidates have to submit date of birth certificate as age proof along with abstract.

3, The original research work submitted by the nominee should not have been presented for any similar award elsewhere.

4, In case of a joint research work, the applicant for award shall furnish a No Objection Certificate from other contributors for application. If NOC is not available then the affidavit may be submitted by the applicant indicating the same.

- 5, The nominee should be referred by at least 3 authorities including Head of any research organization.
- 6, The award will be given based on the *bonafide* research work on any aspects of Poultry science carried out by the candidate.
- 7, The research work / candidate once awarded will not be considered further.
- 8, If no suitable candidate in a particular year is found deemed fit for the award, the committee shall have the power not to confer the award for the particular year.
- 9, No TA/DA will be given to the candidate for receiving the award and its presentation in the annual conference of society.
